SESSIONS BEGIN + END AT SCHEDULED TIMES

Please arrive 10-15 minutes prior to your appointment time. We would like you to get the full benefit of your appointment, so please do arrive on time. If you are late, your appointment will still end at the scheduled time to accommodate our other guests and staff cleaning schedules. Payment is expected at the time service is rendered.

CANCELLATIONS

If you need to cancel or reschedule an appointment, please allow us a minimum of 48 hours notice so we are able to rebook the space for someone else. If you cancel late, we charge for the full session. Emergency cancellations are determined at the manager's discretion. If we need to reschedule due to sanitary issues or power outage, we will do so within 24 hours whenever possible. If an emergency arises and we cannot keep an appointment, we provide a 50% discount with your next session.

SPA ETIQUETTE

Please respect our peaceful spa atmosphere - turn off cell phones, pagers and any alarms and speak quietly while using the facilities as not to disturb other guests. Please be clean, having showered the same day as your session. Also please be present (not under the influence of drugs nor alcohol).

PROFESSIONALISM

We provide you with competent and professional care customizing each session to address your specific needs. Personal and professional boundaries are respected at all times. Our equipment and supplies are clean and safe and we keep accurate records and review charts before each session. We perform services for which we are qualified (physically and emotionally) and able to do, and refer to appropriate specialists when work is not within the scope of practice and/or not in the client's best interest.
